# THANKS

VERY much

I enjoyed the treats from the ladies of Homemakers and Esther Circle. It was very nice and thoughtful of you all to share with me.

With Gratitude,  
Bob Hartwig

To the ladies of Esther Circle and Homemakers for the treats you shared with us. It was nice to know that you all thought of us and took the time to share.

Glad for Church Family,  
Mary Hasbrouck  
Nancy Nelson

I want to thank all of my First Church of Christ family for your many years of worship and bible study. Your friendship means a lot to me. I was genuinely surprised and moved at my going away party. I am settled in my new home and I miss you all very much.

In Christian Love,  
Anita Howard

## thank you

The word "thank you" has been used so often that it may sound cliché but when it comes from the heart, those words change to "thankful". That is how your prayers, cards of sympathy and memorial gifts sent to us in the loss of my sister, Alice Turnquist, made us feel. "Thankful" for our church family and the support we felt through them. We will always treasure those kind expressions as a reminder to us that we do not walk alone through times like these. Because Alice was a mission minded Christian woman, we have donated your memorial gifts to "Mary's Choice" ministry, in her name where those feeling of "thankfulness" can continue on into the lives of those women who can benefit from your gift.

Thank You/Thankful.  
Jerry and Joyce Clark

# The U in Jesus

Before **U** were thought of or time had begun,  
God stuck **U** in the name of His Son.

And each time **U** pray, You'll see it's true,  
You can't spell **JESUS** and not include **U**.

You're a pretty big part of His wonderful name,  
For **U**, He was born; that's why He came.

His great love for **U** is the reason He died.  
It even takes **U** to spell crucified.

Isn't it thrilling and grand that He  
Rose from the dead, with **U** in his plan?

The stones fell away, the gold trumpet blew  
And the resurrection is spelled with a **U**.

When **JESUS** left earth at His upward ascension,  
He knew there was one thing He had to mention.

Go into all the world and tell them it's true  
That I truly love them all Just like I love **U**.

It all depends now, on what **U** will do.  
**JESUS** really wants them to know  
But it all starts with **U**.
