

April Board Meeting Highlights

- ◆ In reviewing the Rural Church Conference, it was decided the speakers and workshops all went well and were received positively by those in attendance.
- ◆ The Easter Sunday breakfast is going to be made from scratch by the men and boys of our congregation. The idea is to build comradery and relationships. The menu will consist of ham, eggs, pancakes, toast, fresh fruit, juice, coffee. Rounding up the necessary equipment will take place Wednesday evening after Bible Buddies.
- ◆ A new evening book/bible study is going to be led by Marcia Nelson. "You Are More Than You Know" is going to begin after Bible Buddies ends so that the Bible Buddies teachers can participate. Bible Buddy mom's and friends of those participating will be invited to participate as well.
- ◆ The new baptistery has arrived and the first step to determine how it is to be installed will be the removal of the old baptistery. This will take place very soon after Easter Sunday. Removal of the old baptistery will give a clear picture of installation options.
- ◆ The Bible Buddies program will run past Easter with closing program on April 20. The Bible Buddies will also be singing song or two during the regular worship service on Easter Sunday.
- ◆ Camp Nebowa schedules and registration forms are out and each and every youth in Bible Buddies, Junior High and High School will be handed a form. Scholarships for ½ tuition and full tuition are available.
- ◆ Baseboard was installed in the downstairs bathrooms using what was on hand plus slightly more purchased. It was installed by Robinson's Furniture & Floor Covering. The downstairs and upstairs men and women's bathrooms were given a fresh coat of paint.
- ◆ Denny's Heating and Cooling replaced the blower motor in the furnace for Fellowship Hall. The board discussed that the furnace to the Sanctuary may also need to be checked as they are the same age.
- ◆ There are new hostess tables in the lobby that were purchased and donated from a member of the congregation. The furniture formerly in the lobby was relocated to the center classroom downstairs which is now becoming a reading lounge. The tables are creating an updated look as well as an avenue for conversation as people gather in the lobby.
